

## LCD 3D Printer

### CubeX P8.9

Leading technology light-cured 3D printer, XLC8.9 develop from April, 2017, now it is Generator 5, new creation on the way, imported lighting system with high power and good evenness. Imported screw module, high acutance , use 128 line motor, making Z axis stable and accurate. Use 4.3" TFT touch panel, U disk to print or WiFi network print and control, auto feed assistant system. No more replacement. Software developed by ourself, changing data on line, support svg, b9j, cws files to print.

### Tech Specs

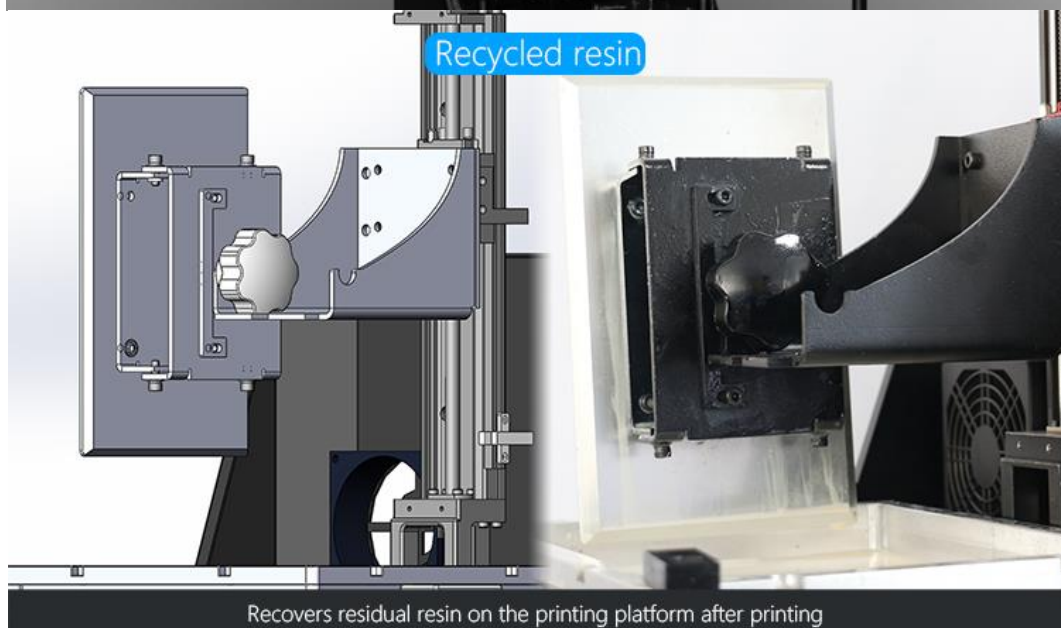

Printing		LCD panel	
<b>Technology</b>	UV LCD	<b>Panel size</b>	8.9in
<b>Build volume</b>	190×118×170mm 7.4×4.6×6.7in	<b>Resolution</b>	2560*1600 339PPI
<b>Layer thickness</b>	25/50/100 microns	<b>Pixel size</b>	75 microns
<b>Print Speed</b>	10-35mm/h	Light source	
<b>Touchscreen</b>	4.3in Color IPS 480 x 272	<b>UV LED (Wavelength 405nm)</b>	
<b>Connectivity</b>	Wi-Fi, Ethernet, USB	Electrical	
Software		<b>Power</b>	360w
<b>Software bundle</b>	X-Studio	<b>Voltage</b>	<b>AC Input:</b> 100-250V50/60Hz <b>DC Worinking:</b> 24V 2A
<b>Supported file types</b>	.stl,slc,b9j,svg,cws	Weight & physical dimensions	
<b>Supported software</b>	Nonadlp,B9Creator &CreationWorkshop	<b>Device Dimensions</b>	310x310x545 mm
<b>Supported operating systems</b>	Windows 7&up	<b>Shipping weight</b>	?
Application		<b>Net weight</b>	?
<b>Industry,Design, Education, ACG, Medicine, Dental, Jewelry</b>			

## Feature

## 8.9-inch LCD printer

Depth optimization structure, overall improvement of stability

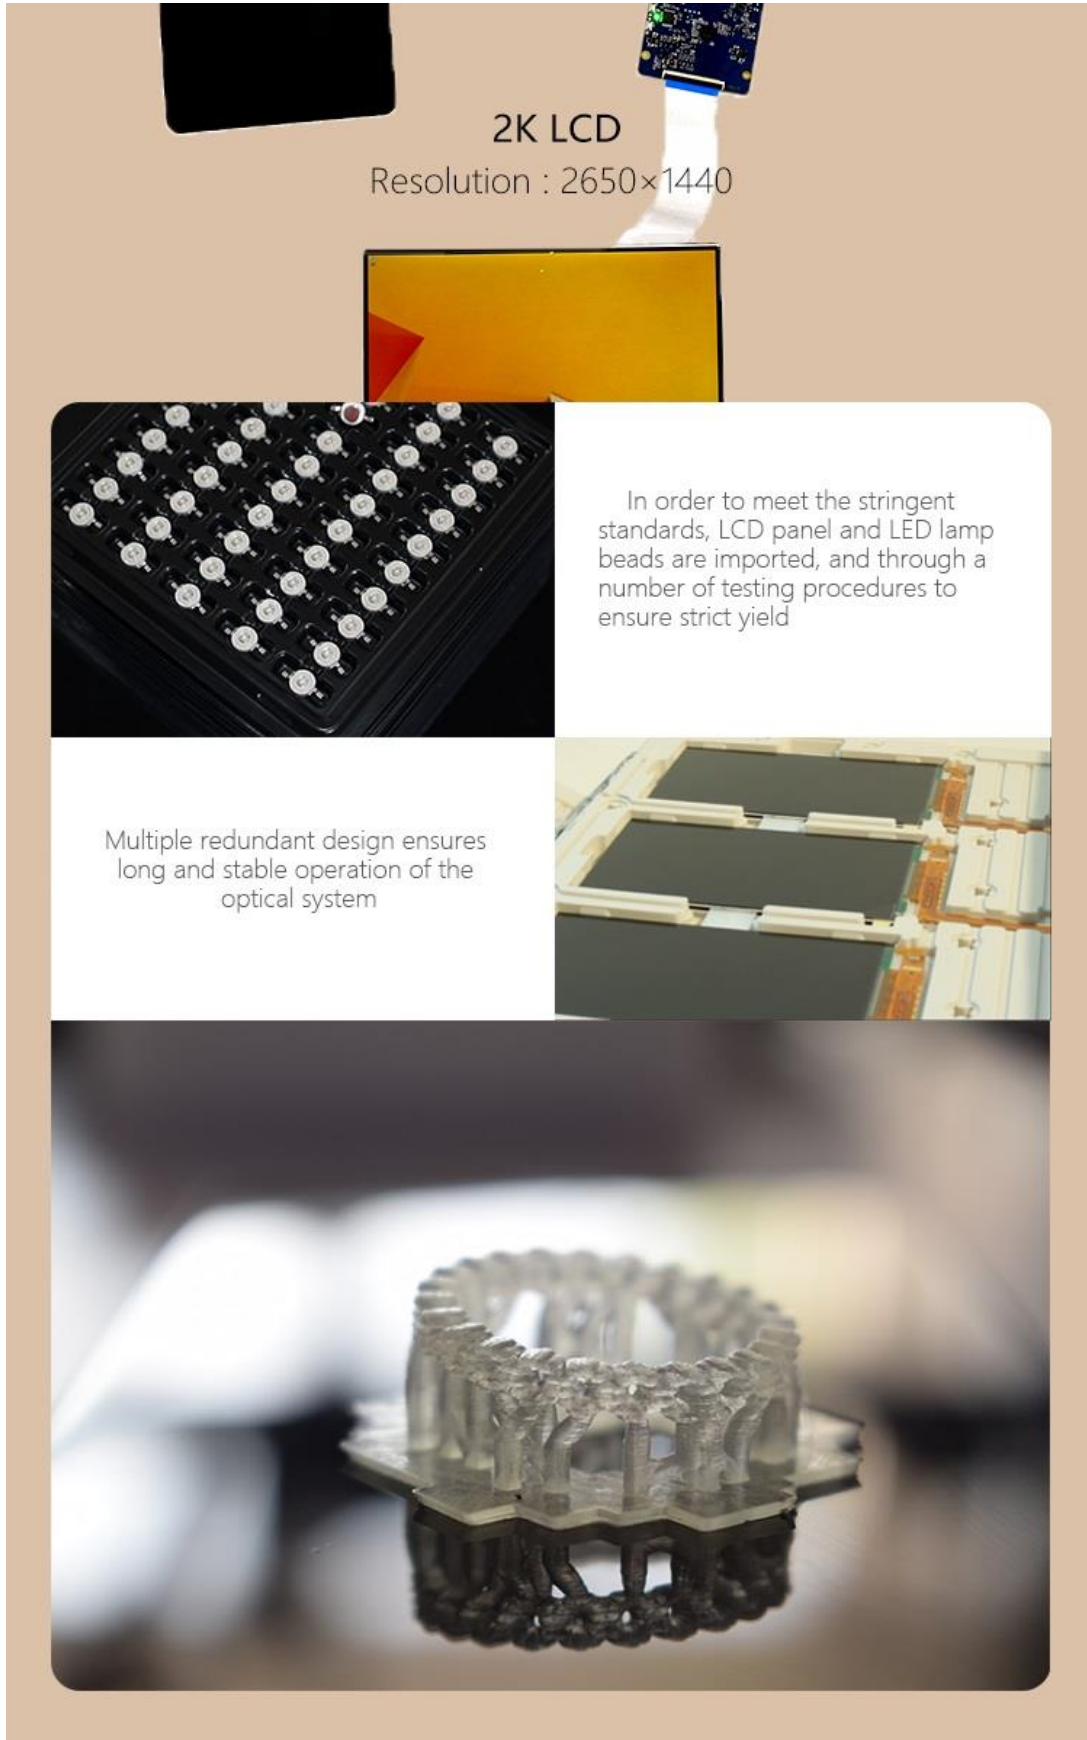

Screen temperature / Automatic feeding/  
Real-time adjustment of LCD power

Custom 5mm thick pearl cotton packaging, details determine the quality

2K LCD  
Resolution : 2650×1440

In order to meet the stringent standards, LCD panel and LED lamp beads are imported, and through a number of testing procedures to ensure strict yield

Multiple redundant design ensures long and stable operation of the optical system

Multilingual minimalist interface  
4.3inch Color touch screen

Touch screen can rotate 60°
